

The Ultimate used car warranty scheme

KCS of Surrey Ltd offer their customers the multi award-winning Safe and Sound warranty scheme, which is recommended by former Stig, Ben Collins. You'll have complete peace of mind knowing that you are covered by the UK's highest level of warranty protection should something go wrong. These are the additional benefits of the KCS bespoke cover

Safe and Sound Warranty cover includes:

- Cover for all electrical and all mechanical components
- DPF and Catalytic converters covered as standard
- Take your car to any garage in the UK (VAT registered)
- Parts, Labour, VAT and Diagnostics are all Included
- Working materials (oils / coolant / seals / refrigerant)
- Subsequence damage (if a covered part damages another part)
- Full mechanical breakdown cover (home start / roadside repair / recovery)
- Unlimited mileage
- No claim limit (up to the value of the car)*
- Replacement vehicle hire
- 60 days per year European cover
- Hotel / Accommodation and rail fare cover
- UK call centre and claims number
- 365 days 24 hours a day breakdown assistants phone number
- Transferable if you decide to sell the car within the cover period
- Sat Nav, cameras, Bluetooth and multi-media covered as standard (£5,000 claim limit)
- Excess Only £75 per claim

*A £5,000 claim limit is applicable to Land Rover. All other makes and models of vehicle have a claim limit of the current market value at time of claim.
